

***Amendments to the Specification***

***Title of the Application***

Applicant believes the title as amended by the Examiner (in the Examiner's Amendment submitted with the Notice of Allowability mailed on May 16, 2005) to be unacceptable due to its length and level of detail. Applicant prefers the title as amended in the Amendment and Reply Under 37 C.F.R. § 1.116, filed on July 6, 2004:

SYSTEM AND METHOD FOR SELECTIVELY CONTROLLING OPERATIONS  
IN LANES

Accordingly, Applicant respectfully requests that this title be entered.
